3. COMBINING WITH SPECIAL PRICING OR OTHER PROMOTIONS

This Promotion may be combined only with HP Office Printing Systems programs (OPS programs). This Promotion is NOT combinable with any HP Trade in Offers.

In the event this Promotion is combined with any offer that includes free printers, the rebate value will be calculated by dividing the total purchase price paid to HP for all printers by the total number of printers received. (Example: If you buy 1 HP PageWide Family printer at a purchase price of \$500 and get 1 free under a Buy One Get One Free offer, you will then have 2 printers and will have paid \$500, so the value of each printer for the Money-back Guarantee rebate is \$250 ($500 \div 2 = 250$). This means that if you register one of the two printers and then return it under this Promotion, but keep the other printer, the rebate HP will send you will be \$250 per the promotions combined.
