The HP Original Toner/Ink has to be purchased on the same invoice and the HP Original Toner/Ink has to be for the printer the participant is claiming for. Participants are allowed to claim up to four (4) HP Original Toner/Ink cartridge rebates per HP printer purchased.

This is a one-for-one trade in promotion, meaning for each eligible HP printer purchased, 1 qualifying Desktop trade in printer weighing up to 115 pounds, must be traded in. Customers are allowed to claim up to 4 eligible HP Original Toner/Ink per 1 eligible new HP printer. The HP Original Toner/Ink must work with the new HP printer purchased. All trade in printers must be owned for at least 12 months, and have been used by the participant before it is deemed eligible for trade in. Customers are allowed to claim up to 400 printers per claim. Online claims will be capped at 20 units. For claims greater than 20 units, please contact our customer support team for a custom transaction. Contact customer service at

hptradesave@marketvelocity.com or by calling 888-309-2943 between 8am and 8pm ET, Monday through Friday.

All Program transactions and rebate eligibility verification are subject to the approval of HP, in its sole discretion. This Program is not intended for individuals or entities who resell or intend to resell the qualifying new HP products involved in the Program. Accordingly, for a participant that seeks Program rebates and/or cash back for more than ten (10) units in the twelve (12) month period immediately prior to the participant's then current claim date, HP may request the following information in writing for each such requested unit rebate/cash back: business name; DUNS number; and/or business website. If any such information (or other information) reveals that participant is improperly seeking rebate amounts, HP may disqualify participant from the Program and reject payment of rebate amounts.

Combination with special pricing or other promotions

This printer rebate offer MAY be combined with (or "stacked" with) HP National instant rebates unless noted otherwise by HP. This offer must comply with stacking rules and terms and conditions of other promotions. The cartridge rebate offer is not combinable with cartridge instant savings or rebates or mail-in-rebate offers.

This offer is NOT combinable with hardware or supplies Big Deal or Contract pricing (i.e. Big Deal Acceleration, Big Deal Acceleration Plus, Take the Lead, Manage Print Services (MPS) Resell Contractual Component Pricing Program, MPS Resell Bundled Page Program, MPS Agent Big Deals, Channel Led Winback, Supplies Big Deals, etc.). The customer can take the higher of the two discounts. (Contact customer service at hptradesave@marketvelocity.com or by calling 888-309-2943 between 8am and 8pm ET, Monday through Friday for any exceptions).

If the Big Deal or Managed Print Services customer does not qualify for any additional cash back allowance, they may still be eligible to receive the free shipping and free recycling, based on the fact that a new eligible printer was purchased. If the customer is only eligible for free recycling and free shipping then they must first contact customer service at hptradesave@marketvelocity.com or by calling 888-309-2943 between 8am and 8pm ET, Monday through Friday, to receive a manual claim form. Once the customer has completed the manual claim form, and has provided the documentation needed to show that an eligible trade-in product has been purchased, the customer will follow the same process as outlined above.

Public Sector Involvement

HP may not offer, give or promise to give, directly or indirectly, an employee of the U.S. federal government, U.S. state/local government, or public higher education institution, or to any private or public K-12 educational institution, or library, anything of value—including gifts, meals, entertainment or travel—unless the offer is in accordance with the federal, state, or local law or any code of conduct or internal rules or by-laws that govern the activities of the recipient. HP has obligations to confirm what U.S. federal, state or local requirements apply to HP's relationship with entity and be sure to comply.

Government customers are legally identified Federal, State, or Local government organizations within the US. Cash back checks will be issued in the name of the government organization only, in the event a Government Customer is claiming on their own behalf.

Education customers are higher education institutions and schools (K-12), both public and private, within the U.S. Cash back checks will be

issued in the name of the educational institution only, in the event an Education customer is claiming on their own behalf.

Participants

End User Customers are allowed to participate in this Program and claim and receive any trade-in value.

The customer claiming and entitled to receive the trade-in value is referred to in these terms and conditions as the “**Participant**”.

Claims that do not show this may be rejected.

HP will not compensate resellers for discounts that exceed the promotion trade-in values.

Participation in the HP Trade-In and Save promotion indicates that end-user customer agrees that its reseller, and not HP, is solely responsible for any negotiated sums exceeding HP’s authorized trade-in values.

Reseller will not receive the Trade In rebate until the trade in product has been received and verified.

Reseller is responsible to ensure the Trade-in Product(s) is returned within the return window to HP. Reseller may not substitute other Trade-in Product(s) or submit Trade-in Product(s) not owned by end-user customer.

H. Logistics to Return Product

This promotion is open to the United States only. The Participant must purchase the HP Product(s) and return their Trade-In Product(s) within the boundaries of the United States.

The Participant is responsible for the de-installation of the Trade-in Product(s) and must properly prepare the Trade-in Product(s) for shipment. The cost for shipping and recycling, if applicable, of any conforming Trade-in Product(s) that are returned in accordance with the terms and conditions of this Program will be borne by HP. HP reserves the right to charge the Participant for any transportation costs it incurs in connection with the delivery of any nonconforming products under this Program or for Participant's failure to comply with the Program terms and conditions.

To avoid damages and /or delays during transportation and processing of the Trade-in Product(s), the Participant must adhere to the instructions below:

The Trade-in Product(s) must be packed in sturdy cardboard boxes suitable for shipping.

If ink and/or toner cartridges are included with any Trade-in Products, they must be removed from printer(s) and must be packed separately in an appropriate container protecting against potential leakage. This container may then be packed in the same box as the Trade-in Products.

The shipping label provided by HP must be attached to the outside of the box and should remain easily accessible at all times.

The shipping label should be secured with transparent shipping tape to prevent separation.

Trade-in Product(s) received without the shipping label attached may not be properly processed.

HP is not responsible for paying for proper packaging of the Trade-in Product(s).

The trade in product must be shipped within 30 days of receiving the shipping label or by April 1, 2019, whichever occurs sooner.

To ensure you receive the cash back amount above, it is very important to properly package your printer following these packing instructions:

Package the item(s) in a sturdy cardboard box designed specifically for shipping.

Shipping tape that is 2-3 inches wide should be used. We do not recommend using masking or cellophane tape. Tape all edges on the sides, top and bottom to make sure there are no rough edges that could be snagged by automated mail processing equipment.

Attach the prepaid shipping label to the outside of the package. Use a piece of clear shipping tape over the top of the label. It is important to use our shipping label, as it will be used to expedite tracking, identification and increase the speed of your return.

I. Transfer of Ownership and Risk of Product Loss

Ownership and risk of loss of the Trade-In Product will be transferred to HP upon acceptance of the Trade-in Product at the HP designated processing center. The delivery of the Trade-In Product to HP's designated processing center shall be final and effective to transfer title of such product to HP or HP's designated service provider free and clear of all liens and encumbrances.

J. Non-return of Trade-In Product(s)
