The screenshot displays the HP Smart app interface for an HP Instant Ink account. The main content area shows the printer status as '就緒可列印' (Ready to print) for an HP DeskJet 2722 All-in-One Printer. A monthly summary for January 2023 shows 10/10 pages used. The plan details include a monthly fee of NT\$39.00 and a total of 10 pages printed. The interface also shows a sidebar with navigation options and a detailed plan section on the right.
